

SEIZED DOCUMENTS SHOW DEATH PLOT AGAINST OFFICIALS

Flynn, Enright, Gegan and
Others Named in Papers
Taken in Raid.

Examining to-day memoranda taken yesterday in a raid at No. 524 East 16th Street on a band of Russians believed to be advocates of violent revolution, agents of the Department of Justice found what they believe to be evidence of a plot to "remove" Police Commissioner Enright, Acting Lieut. Gegan of the "Bomb Squad," Chief Lamb of the local Bureau of Investigation of the Department of Justice, and Agents Scully and Fran-

also. There were also indications, the investigators said to-day, that the terrorist faction of the Communists had given a thought to Chief William Flynn as a proper person for "elimination."

It is not charged that the men taken in the raid were those directly concerned in the plots against the lives of the officials, but that the memorandum showed they had knowledge that information about the homes, offices and movements of the men named was sought by those who contemplated assassination. Of the eight men caught in the raid, three were sent to Ellis Island for deportation proceedings. Those were Philip Berezovsky, alias Boravski, of No. 122 East 10th Street; Paul Kovaloff of No. 722 Fourth Avenue and William Bander of No. 27 Spruce Street, New Haven, Conn. The New Haven branch of the department has held a warrant for Bander for several weeks as the chief advocate of revolution by violence in Connecticut.

\$1,000,000 WINES LOCKED UP ON LINER

Spaniards Horrified on Learning
of Prohibition—Two "Flu"
Cases Taken Off.

The Spanish Royal Mail Line Prince de Asturias, en route for Havana and Vera Cruz, which has been detained at quarantine since Saturday morning on account of two suspected cases of "flu," docked this morning at Pier 8, East River. The illness of the two passengers developed into pneumonia and they were transferred to Swinburne Island and the ship fouled.

Passengers were in a state bordering on frenzy after the ship's captain locked the door on passing within the three mile limit. It was the first time many of the Spaniards aboard ever heard of prohibition. The vessel will not get away until Friday, and to make matters worse it is carrying a cargo of a million dollars' worth of fine Spanish wines.

Soprano Paquita Madruga, a pretty Barcelona pianist, who came over under contract with a phonograph company, uttered this ultimatum:

"No wine, no records."

PAY RENT RAISE OR MOVE.

Tenants of Standish Arms, Brook-
lyn, Given Choice of Court.
Tenants of the Standish Arms apart-

ment hotel, Nos. 61-171 Columbia Heights, Brooklyn, were ordered to-day by Judge Mitchell May either to pay increased rents asked or move.

The decision followed an indignation meeting held by the tenants, which

caused the lessee, Arthur S. Mayer, to start dispossessing proceedings against the De Kalb Company, No. 162 Reimann Street, agents for the owners. Mayer admitted his lease expired Dec. 31 and that he did not intend to apply for a renewal.

THE war-seared heart of mankind thrills with a new purpose: that justice shall be done among the nations—that persecuted and down-trodden peoples shall take their rightful places.

First among the world's oppressed plead the scattered millions of Israel—whose right to ultimate Return is universally admitted.

Zionism is a great reconstructive effort to restore a land and a people.

The privilege of sharing in the realization of this world ideal is not alone to the Jews who will return, but to every one of us of the great human brotherhood, Jews and non-Jews alike.

THEODORE ROOSEVELT said:—"I believe in the creation of the Zionist State."
